CODE OF CONDUCT

HOLY CROSS CATHOLIC SCHOOL 2022 – 2023

Completed on: June 2021 (reviewed every two years)

Rationale: The Ministry of Education in the Provincial Code of Conduct for Ontario Schools requires that each school develop a code of conduct that promotes responsibility, respect, civility, and academic excellence in a safe, inclusive and accepting learning and teaching environment.

These standards of behavior apply to students whether they are on school property, on school buses, at school related events or activities or in other circumstances that can have an impact on the school climate. They also apply to all individuals involved in our Catholic schools: principals, teachers, other school staff, parents, volunteers and community groups.

At Holy Cross Catholic School, we are committed to making our Catholic school a place where:

- Students, parents, teachers, other school staff, volunteers and community groups have the right to be safe, and to feel safe, welcomed and accepted
- Healthy and respectful relationships based on Christ's teachings are promoted among all members of the school community
- Students are encouraged to be leaders
- Students, staff, parents and community members are expected to be positive role models and actively engaged
- Positive behaviour is reinforced and celebrated
- The Catholic Graduate Expectations are emphasized and support the improvement of learning outcomes for all students
- Everyone is respected and valued.

Purpose of the Code:

- To ensure that all members of the Catholic school community are treated with respect and dignity;
- To promote responsible citizenship by encouraging appropriate participation in the civic life of the school community;
- To maintain an environment where conflict and difference can be addressed in a manner characterized by respect and civility;
- To encourage the use of non-violent means to resolve conflict;
- To promote the safety of people in the schools;
- To discourage the use of alcohol and illegal drugs;
- To prevent bullying in schools;
- To respect the teachings, traditions and principles of the Roman Catholic Church.

Standards of Behaviour - Respect, Civility, and Responsible Citizenship

All members of the Catholic school community must:

- Respect and comply with all applicable federal, provincial, and municipal laws;
- demonstrate honesty and integrity;
- Respect differences in people, their ideas, and their opinions;
- Treat one another with dignity and respect at all times, and especially when there is disagreement;
- Respect and treat others fairly, regardless of, for example, race, ancestry, place of origin, colour, ethnic origin, citizenship, religion, gender, sexual orientation, age, or disability;
- Respect the rights of others;
- Show proper care and regard for school property and the property of others;
- Take appropriate measures to help those in need;
- Seek assistance from a member of the school staff, if necessary, to resolve conflict peacefully;
- Respect all members of the school community, especially persons in positions of authority;
- Respect the need of others to work in an environment that is conducive to learning and teaching;
- Use appropriate and respectful language with teachers and all members of the school community.

Safety standards

All members of the school community must not:

- Engage in bullying behaviours
- Commit sexual assault

- Give alcohol to a minor
- Commit robbery
- Be in possession of any weapon, including firearms
- Use any object to threaten or intimidate another person
- Cause injury to any person with an object

- Inflict or encourage others to inflict bodily harm on another person
- Engage in hate propaganda and other forms of behaviour motivated by hate or bias
- Commit an act of vandalism that causes extensive damage to school property or to property located on the premises of the school

The students at Holy Cross Catholic School will not engage in bullying behavior and are committed to reporting bullying behavior to a staff member.

Definition of Bullying (Bill 13)

For the purposes of the definition of “bullying” behaviour includes the use of any physical, verbal, electronic, written or other means. Bullying includes bullying by electronic means (commonly known as cyber-bullying), including,

Search and Seizure

Desks and lockers are school property and as such there is no expectation of privacy on the part of students; therefore, a search of such property is permissible by the school administrator. In this case, the principal or the vice-principal is acting under the authority of the Education Act to maintain proper order and discipline in the school, and not as an agent of the police.

Principal Roles and Responsibilities:

Under the direction of the Nipissing-Parry Sound Catholic District School Board, principals take a leadership role in the daily operation of a school. They provide this leadership by:

- Demonstrating care for the school community and a commitment to academic excellence in a

- safe, inclusive, and accepting teaching and learning environment
- Holding everyone under their authority accountable for his or her behaviour and actions
- Empowering students to be positive leaders in their school and community
- Communicating regularly and meaningfully with all members of their school community

Teachers and Other School Staff Roles and Responsibilities:

Under the leadership of their principals, teachers and other school staff maintain order in the school and are expected to hold everyone to the highest standard of respectful and responsible behaviour. As role models, teachers and other school staff uphold these high standards when they:

- Help students work to their full potential and develop their sense of self-worth;
- Empower students to be positive leaders in their classroom, school, and community;
- Communicate regularly and meaningfully with parents;
- Maintain consistent standards of behaviour for all students;
- Demonstrate respect for all students, staff, parents, volunteers, and other members of the school community;
- Prepare students for the full responsibilities of citizenship.

Student Responsibilities:

Students are to be treated with respect and dignity. In return, they must demonstrate respect for themselves, for others, and for the responsibilities of citizenship through acceptable behaviour. Respect and responsibility are demonstrated when a student:

- Comes to school prepared, on time, and ready to learn;
- Shows respect for himself or herself, for others, and for those in authority;
- Refrains from bringing anything to school that may compromise the safety of others;
- Follows the established rules and takes responsibility for his or her own actions.

Parent Responsibilities:

Parents play an important role in the education of their children, and can support the efforts of school staff in maintaining a safe, inclusive, accepting, and respectful learning environment for all students. Parents fulfill their role when they:

- Show an active interest in their child's school work and progress;
- Communicate regularly with the school;
- Help their child be neat, clean, appropriately dressed, and prepared for school;
- Ensure that their child attends school regularly and on time;
- Promptly report to the school their child's absence or late arrival;
- Show that they are familiar with the provincial Code of Conduct, the board's code of conduct, and school rules;
- Encourage and assist their child in following the rules of behaviour;
- Assist school staff in dealing with disciplinary issues involving their child.

Electronic Devices and Social Media:

Use of electronic devices and social media will adhere to the overall expectations of this code of conduct:

- The use of cell phones and electronic devices will not, in any way, interfere with teaching conducted by the staff, and/or the learning of any student(s) during the school instructional day;
- The use of cell phones or other devices, for any purpose; including telephone calls, text messaging, games, taking pictures, and other functions, is not permitted at any time, other than the designated times, on school grounds, without permission from the classroom teacher and/or school administration (include designated times and places);
- Cell phones or other devices need to be stored in a secure location, pocket, purse, backpack, etc. They are not to be visible unless permitted by the teacher.
- The use of cell phones or other devices is not allowed; especially in private areas such as, washrooms, dressing room areas, buses or classrooms. Camera phone violations may be considered a criminal offence.
- Any phone communication during the instructional day will take place only through the use of school telephones, and, only with permission from administration, staff, or, office staff (with the exception of emergency situations as deemed by the principal). Parents should continue to contact their child/children through the normal school channels for any emergency situation.
- Possession of a cell phone and/or other electronic devices by a student is a privilege which may be denied to any student not abiding by the terms of this code. Students shall be personally and solely responsible for the security of their cell phones and/or other electronic devices.

Dress Code

Students are expected to dress in a tidy and modest manner. Clothing offensive to race or Christian teachings is not permitted. Clothing should not be a distraction to others. Clothing that promotes alcohol, drugs, vulgar language, tobacco products or violence is inappropriate in the school. Shirts must cover the shoulders and must extend beyond the waistband at all times. If the school dress code is not adhered to at all times, students will be asked to change the clothing and parents will be notified.

Code of Sportsmanship for Participants and Coaches

The purpose of competition is to make us better people. Winning is a bonus. (Fr. Mike Cundari)

- Doing one's best is more important than winning or losing
- Respect the rules and spirit of the game
- Treat officials, opponents, teammates and spectators with respect
- Commit to your activity and your team
- Play hard, play fair, play under control

Spectators/Volunteers Code of Sportsmanship

- Cheer in a positive manner
- Respect officials' decisions
- Do not interfere with the competition
- Keep clear of the playing area
- Be courteous and respectful.

Failure to comply with this Code of Behaviour may lead to ejection.

Attendance/Tuancy

Regular attendance and punctuality on the part of the student is vital to learning and for academic success. In case of absence, a student's parent or guardian is expected to call the school at 705-472-6380 to inform the office. If the office has not been notified, when a student is returning from an absence, a note or telephone call authorizing the absence must be received. A note may explain an absence but will not necessarily excuse or approve of an absence.

Any unauthorized absence will be investigated as per the safe arrival policy. Please note that repeated concerns about punctuality or absence will be addressed by the school administration.

Immunization

The Immunization of School Pupil's Act, 1982, states that parents/guardians are required to complete the prescribed program of immunization for each pupil. Failure to do so will result in suspension and/or exclusion from school by the Public Health Unit. We, therefore, urge all parents/guardians to make sure that all children have the required up-to-date immunization.

Intervention and Supports

Infractions of the Code of Conduct will be investigated and addressed through the teacher and/or principal/vice-principal. In addressing infractions the following mitigating factors will be kept in mind such as age, circumstances, history, IEP, a progressive discipline approach which could include the following:

- contact with the pupil's parent(s)/guardian(s);
- verbal reminders;
- review of expectations;
- written work assignment with a learning component relevant to the behaviour;
- peer mentoring;
- detention;
- peer mediation;
- restorative justice;
- referrals for consultation; and
- transfer.

In some circumstances suspensions and expulsions may result.

Supports and Follow-up

Students who contravene the code of conduct will receive support which may include but is not limited to the following:

- One on one and/or group meetings;

- Learning opportunities;
- Restorative justice;
- Contracts or behaviour plans;
- Referrals to board-based supports and services;
- Referrals to community partners.

School Bus

Obey the school bus rules issued to you;

- behave in a manner which assures the safety of all;
- treat bus drivers and peers with courtesy and respect at all times;
- conduct yourself in an appropriate manner while waiting for the bus;
- move directly out of the bus zone to the assigned playground area when you arrive at school.

We take bus safety very seriously. Copies of the infractions that are "written up" by the drivers are automatically forwarded to the Board's transportation officer, the bus company, the school and parents or guardians. Students are reminded that busing is a privilege and not a right. Second and subsequent infractions lead to temporary or even permanent suspensions of this privilege.

Students MUST board the bus to which they are assigned. Boarding a different bus to visit a friend, or to attend a birthday party or sleep-over, etc, cannot be accommodated within Board's Busing Policy; these situations should be resolved and arranged before the student leaves home for school that day by the parent. The Transportation Officer can be reached at 472-8840. Confirmation of any changes reported to the school by the Transportation Officer or designate would then be honoured.

Lunchrooms

Students should:

- behave as if they were guests in someone's home;
- remain seated and eat quietly in their assigned seats;
- show courtesy and respect to the lunchroom supervisors at all times;
- raise hand for permission to leave seat (to go to the washroom, to put lunch bag away);
- use appropriate language and manners in the lunchroom;
- observe school plans for waste management and recycling of reusable materials;
- remain on the school property under our direct supervision; submit written permission signed by their parent/guardian to leave the school property, (this note must be presented to the principal, or designated person of authority).
- have healthy lunches and snacks, they are encouraged at all times

Medication

Students are not to be in possession of medication. Please inform the office if a student requires medication, which will be kept in the office. Permission must be granted to administer oral medication. Forms are available in the school office.

Entering and Leaving the School

Meet your teacher at your yard entrance door and enter the school in a quiet, orderly fashion and in single file;

- remove hats upon entry;
- dismiss from classrooms or school under a teacher's direction;
- leave the school building and school grounds promptly upon dismissal, unless involved in a supervised activity. If travelling by bicycle, scooter or any other form of transportation, students must leave the grounds very carefully, always obeying safety rules and respecting traffic.

Hallway

Walk quietly along the right side of the hallway in a single file;
Use the washroom or drinking fountains only with teacher permission.

Playground

Play fairly and safely with peers;

- use appropriate language and gestures;
- play within assigned playground boundaries;
- show courtesy and respect to each other and to playground supervisors at all times.
